

Kensho

BY EERO KENSHO

gordonisgood.com
est. 1967

Colorful, soft-form triangles.
Reminiscent of a guitar pick,
this collection clearly
goes to “eleven.”

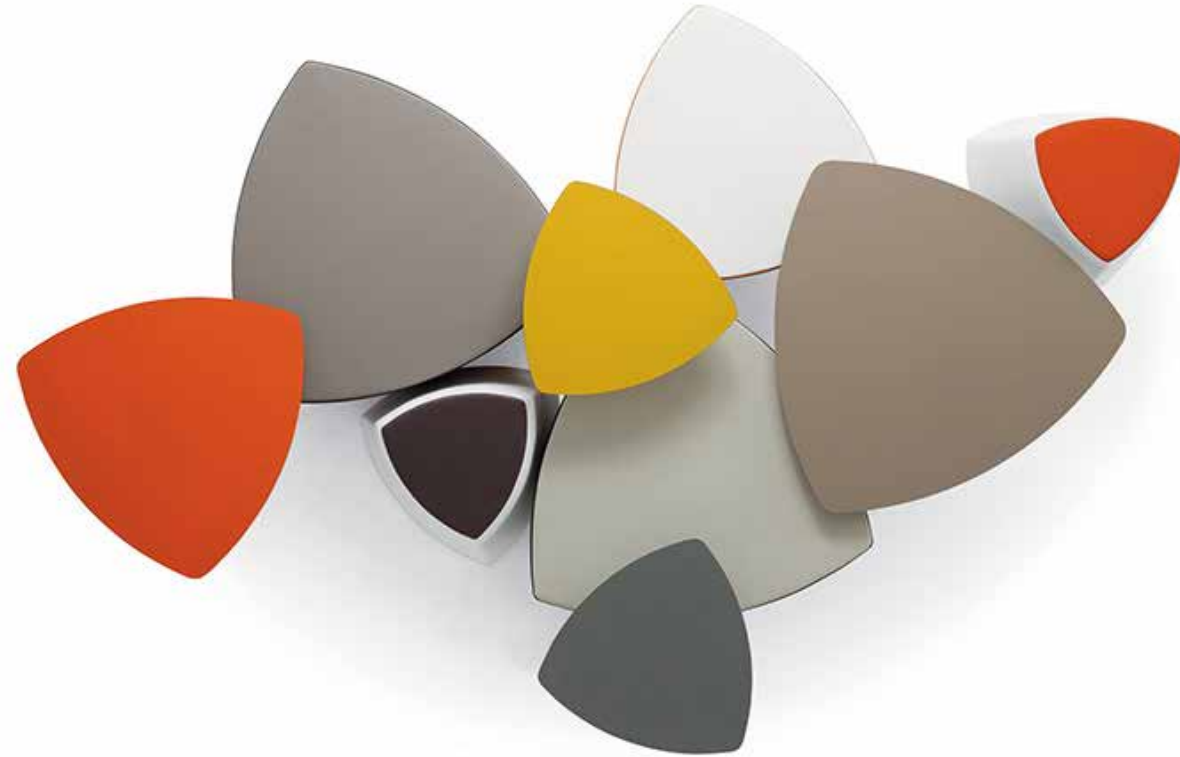

Tables with tubular steel frames, flat 4mm steel tops, durable painted finish. Stools and poufs. Fun.

Kensho

BY DRIUSSO ASSOCIATI

Kensho comes in a wide range of shaped tops, and painted or chrome bases.

Base:

Kensho base is made from cast aluminum, painted with an epoxy coat in white, dove, yellow, lava, black, or orange. Chrome also available where noted. Custom colors available on special order at an upcharge. Ten piece minimum. Please call for details.

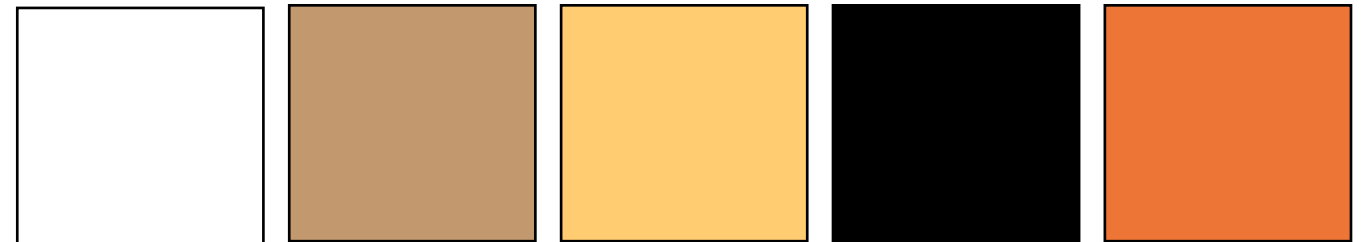

Frame:

Tubular steel frame, flat 4mm steel top, with durable painted finish. Available in white, dove, yellow, orange, or lava color. Mixing top and base colors possible.

Top options:

Kensho is available in White, Dove, Yellow, Lava, or Orange. Chrome base available for this item where noted.

Environmental Considerations:

Kensho is produced in compliance with ISO 9001 and 14001 standards, recyclable after use and has been fully certified by Greenguard.

At Gordon we strive to incorporate best practices with regard to environmental sustainability. We encourage clients to reference our sustainability overview at: www.gordonisgood.com/sustainability.
