Gordon has two upholstery programs for Nestar. The standard options for Gordon, and a program for upholstery done by Luxy in Italy. For Luxy solutions, use the 'Luxy by Gordon upholstery' pdf found on the Nestar page of our website, and then find your model and grade level in the pricing above. Or, for minimum orders of 10 pcs, find standard Gordon COM/COL options, as well as the various 'graded in' programs we support. See our upholstery section under resources on our website for further general upholstery information.
